carbonZero^{Cert™}

Conditions of issue:

- This certificate has been issued on the basis of carbon dioxide emissions calculated from the data provided by the certificate holder.
- This certificate is issued to cover the time period and the activities selected by the certificate holder and recorded in an application form.
- Landcare Research has not audited the data provided and does not warrant the accuracy of any claims made by the certificate holder.
- The carbon credits purchased by the certificate holder can not be traded – to do so would invalidate their carbon neutral status.
